ENVIROWOOD DOORS & WINDOWS.

**Making our Environment
better to look at.**

View it through Finlayson's Envirowood doors and windows - as attractive and durable as they are environmentally friendly.

Available in several sizes to suit a variety of openings, Envirowood solid timber windows and doors provide proven performance for strength, durability, stability and sourced from 100% sustainable, Australian plantation forests with full chain of custody certification.

Our doors and windows carry a six year guarantee on workmanship, a twenty five year guarantee against rot or fungal attack and an absolute guarantee that our environment will be better off.

Envirowood features Viridian Low e Glass as standard, offering energy efficiency and extreme comfort for all living conditions. Envirowood solid timber windows and doors are delivered Australia wide every day.

If you would like to enquire about a supply and install solution, please contact our customer service team on 3393 0588 or drop into 135 Wellington Road East Brisbane.

For quality that lasts a lifetime, choose Finlayson Envirowood solid timber windows and doors.

envirowood

Mercury CM1

Rolling Door Seal

A furry door seal which hangs off hooks at the base of the door and rolls as the door is opened and closed.

Mercury CM2A

Brush Strip Door Seal

An extruded aluminium door seal with a brush strip insert and a self adhesive backing tape. May also be screw fixed.

Mercury CM3

Automatic Door Seal

An extended door seal with a rubber insert. Cam operation automatically lifts and drops the seal as required.

Mercury CM4

Weather Proof Door Seal

An extruded 2-part door seal with rubber inserts. Seal fixes to the door while the tread plate fixes to the floor.

Mercury CM5

Rubber Strip Door Seal

An extruded aluminium door seal with a rubber insert. Screw fixes to the bottom of the door.

Mercury CM17

Extruded PVC Door Seal

An extruded PVC door seal with a self adhesive backing tape. May also be screw fixed.

Mercury CM54

Weather Proof Door Seal

An extruded aluminium tread plate which fixes to the floor and extruded rubber seals which fix beneath the door.

Mercury CM60

Automatic Door Seal

An extruded aluminium door seal with rubber inserts. Pin trigger automatically lifts and drops the seal as required.

Mercury CM14

Foam Window/Door Seal

A continuous foam seal with a self adhesive backing tape. May be fitted to jambs, faces or edges of windows/doors.

Mercury CM48

Rubber Window/Door Seal

A continuous rubber seal with a self adhesive backing tape. May be fitted to jambs, faces or edges of windows/doors.
